WILDCAT

Earlsboro High School
Earlsboro, Oklahoma

Carolyn Sanders, Editor

We, the annual staff of Earlsboro High School, gratefully dedicate this edition of the "WILDCAT" to the former Miss Juanita Hughes, now Mrs. Donald Bourne, who has been such a valuable asset to our school.

She has given untiringly of her time and energy to help the students in their various class projects. Her efforts in the production of the class plays have produced some great successes.

Because of her leadership and her interest in the students as individuals, she has proven to be one of our best teachers.
